Summary of key decisions/points to note (also see Actions)

• The Parish Council congratulated the Parkinson family on the 3 year anniversary of their milk and milkshake parlour - Parky's Farm.

72/25 Chair's welcome including Parish Council highlights/Good News Stories and to receive apologies and approval of absences.

Cllr Rob Ward stated he had been approached by Cllr Martin Cartwright to see if the Parish Council would give a presentation at the next Parish Forum as he sees Sheepy Parish Council as one of the best run Parish Councils in the Borough.

It was noted that Parky's Farm recently celebrated 3 years since the opening of their Milkshake Parlour and the Parish Council wanted to congratulate them on their successful running on the venture.

The Chair welcomed everyone to the meeting and opened the floor to any good news stories for the month, the following were reported:

Apologises were received from:
Cllr Clive Stretton
Cllr Diana Whitley
All apologies were accepted by the Parish Council.

76/25 Reports

County Councillor -

Cllr Josh Melen gave the following update:

It has been a quiet month for Leicestershire County Council and he apologised his report has not yet been circulated but hopefully will be by the end of the week.

School replacement buses are being used throughout the County along with the new Fox Connect, will keep an eye on how successful they are.

The Deputy leader of Leicestershire County Council has stepped down and it is unknow who their replacement will be.

Bosworth Battlefield celebrations went ahead and were well attended.

The councillor attended the planning application hearing for extension of the composting site at Glebe Farm, Sibosn and was very disappointed that none of the points raised by the Parish Council or residents were considered.

It is unknown if the Cock Inn is still on track to be refurbished as per the breweries comments that an owner would be in by Christmas. Cllr Miriam Surtees (HBBC) will speak to Paul Grundy the heritage Officer at HBBC about the programme and his support for the ACV application.

Borough Councillor

Cllr Miriam Surtees and Brain Sutton outlined the updates from the Borough Council; It has been another quiet month for the Borough Council with the devolution the main topic of conversation, there will soon be a consultation about the possibility of Hinckley having its own Town Council.

260 new houses are now going to planning for approval, which they think will get the go ahead as part of the local plan.

The trees on the bend on Ratcliffe Lane seem to be in a bad state. **Action** - *Parish Clerk to report to LCC*.

Concern was also raised about a new development at Market Bosworth where policies in the Neighbourhood Plan were being dismissed by officers due to the size of the development. However, the Planning Committee refused the application. Cllr John Ward agreed to check this with our Neighbourhood Pan consultant. **Action** - *Cllr John Ward to contact consultant*

this application (OBIECTS) since it considers it not to be compilant with the legally binding Sheepy Parish Neighbourhood Plan "made" 19th May 2022, notably policies S1 (Countryside) and S10 (Housing Development). Furthermore, it must be noted that all policies in the plan should be considered collectively when determining any planning application. As part of the Parish Council's response to 22/00887/HOU - 7 October 2022, (Submitted to HBBC 27th October 2022), the Parish Council objected to the application, but also requested that "if permission was to be granted, conditions should be attached to ensure that the building can never be treated or used as a self-contained dwelling," which was noted and added as Condition 2. This was in recognition that a self-contained dwelling would be in breach of legally-binding policies in the Sheepy Neighbourhood Plan. The proposed removal of Condition 2, to enable the building to be used as a separate independent unit for commercial residential rental purposes, would constitute the creation of a separate dwelling. The removal of Condition 2 would therefore lead to the planning permission to be in conflict with the Sheep Neighbourhood Plan and policies in the HBBC SAIM, Additionally, the proposed change of use no longer aligns with what the Parish Council was originally led to believe, i.e. the temporary installation of a mobile home for use by an elderly relative. Whilst the Parish Council is sympathetic to personal circumstances of our parishioners it needs to treat everyone fairly and ensure consistency in the way we assess planning matters. Sheepy Parish Council therefore requests that this application, for the removal of Condition 2, is **refused.**

However, in the unlikely event that the planning authority be minded to approve the application, the Parish Council would request that conditions are imposed (in perpetuity) that **do not allow** the annex (and its use) to be modified in a way that allows it:

- 1) To be identified with its own postal address,
- 2) To have its own separate (from the main property) metered (or other) utility services,
- 3) To have independent access from the highway.

Further, in terms of any future business use (commercial rental), that all the necessary safety measures and other regulatory requirements are in place before the unit is rented out to safeguard the occupants and the local community. END

Parish Council response approved and submitted to Hinckley and Bosworth Borough Council on 15th August SUPPORT

Please note, this response is based on documents available on HBBC Planning Portal as at 1st August 2025. Sheepy Parish Council kindly request that it is notified and consulted on any later changes to this application so as to ensure full compliance with the Sheepy Parish Neighbourhood Plan made May 2022.

Sheepy Parish Council has reviewed the above application **25/00732/HOU** - (**Greenhill Twycross Road Sheepy Magna, Erection of a single storey garden room**), and it appears to be in line with the policies, which should be considered collectively, in the Sheepy Parish Neighbourhood Plan made May 2022.

Sheepy Parish Council request that Hinckley & Bosworth Borough Council gives consideration to ensure the application complies with the design guidance in the Design Guide (Appendix 5) of the Neighbourhood Plan made May 2022. END
